Charleston Stirred up Over Charges Against Monongalia Judge.

CHARLESTON, Jan, 15-Introduction of an impeachment resolution in the House, designed to remove George C. Sturgiss, of the Monongalia county has served to intensify the bitterness that already existed over the case of the aged jurist. The resolution which makes eleven separate and distinct charges against the judge, was introduced by delegate Shomo of Barbour county, who explained that he did so

The resolution was referred to the When completed turn of ar judiciary committee the procedure in the case will be for the House to bring an indictment against the judge The indictment would be sent to the Senate for trial of the case. The president of the supreme court would sit as president of the Senate at the

With the lone exception of the gas fight, the Sturgiss case is talked more than any other question new hours than any other question now before the legislature. One hearing the talk around the hotel lobbies would be led ture, maximum 43, to believe that the case transcends in importance the Virginia debt ques_

Judge Sturgiss are, in substance, as follows:

(1) While holding the office of judge he accepted employment from the Morgantown and Wheeling Railway Company at the rate of \$5 000 a

Resolution Meets Opposition Game Will Be Called At in West Virginia Legislature.

CHARLESTON, Jan., 15-The question of government ownership of railroads popped up in the Senate when Senator Harman, of Grant County, introduced a resolution calling upon the director general of railroads to take over the Twin Mountain and Potomac railroad, a narrow gauge line operating between Keyser and Twin Mountain, and operate it as a part of the Baltimore and Ohio System.

Senator Harman moved that the rules be suspended or immediate con sideration of his measure. Senator Senders, of Mercer County, chairman of the judiciary committee, in oppos cepted the Chairmanship of the nation the question of government ownership I motion picture Consittee of the of railroads. I am opposed to govern Syrian Relief. She is enlisting co-bers of the senate should have plenty of time to give this question mature consideration" Senator Harman then withdrew his motion, and his resolution went to the judiciary committee. In explaining his resolution, Senator Harman said that the Twin Mountain and Potomac Railroad, which serves one of the state's greatest orchard belts, plans to suspend operations this week. When the road quits he said, orchard men of that section will be shut off from the markets. Government ownership of the larger lines, he declared has put the narrow gauge line out of business. The eleven charges filed against All Sorts of Personal and not meet the government's wage scale, rehearsal yesterday of nearly 200 chilhe declared.

as follows:

Whereas, the Twin Mountain and ated a narrow gauge line between According to Attorney Harry Shaw, representing the defendant, Zedric Layman in the case of George Adams vs Zedric Layman, which came before a fury the first thing this many losses and disadvantages in its operation as a private enterprise, And whereas, many additional bur-

exigencies of the war situation and laid a crushing weight upon this struggling development, forcing a resolution to sell its property and which it desires to offer, at a very heavy sacrifice to those who have Front—The front in the ceiver of the Morgantown and Wheeling on Monroe street, ing railway, and that he submitted to damaged is located. They returned for and Ohio Italiroad Company, the one the county court a proposed decree a continued session in court this atlogical corporation to operate the line.

tion from the court to purchase \$3251000 of the first mortgage bonds of the railroad company, held by the county court for Morgan and Clay districts, and then slopes up again forming at the price of forty per cent, of their face value.

5. While holding the office of judge he procured certain members of the procured certain members of the procured certain members of the Monongalia bar to circulate a petition.
